

Hudson Headwaters Welcomes New Pediatrician
Dr. Anjana Poonthota

Pediatrician Anjana Poonthota, M.D., has joined Hudson Headwaters Health Network in its Chester-Horicon, North Creek, and Warrensburg Health Centers. With the addition of Dr. Poonthota, comprehensive pediatric services are now available in the north country.

Dr. Poonthota comes to the Network following her pediatric residency at Albany Medical Center. She joins Dr. Eli Socolof in North Creek and Dr. Gene McTiernan in Warrensburg, and renews pediatric services at the Chester-Horicon Health Center. For more information or an appointment, please call Chester-Horicon Health Center (494-2761), North Creek Health Center (251-2541), or Warrensburg Health Center (623-2844). Patients are encouraged to visit the Hudson Headwaters website for details on health centers hours, providers and services available at each center.

Hudson Headwaters is a not-for-profit community-based network of health centers, serving the Adirondack, Lake George and Glens Falls region for nearly 30 years. For more information please call 761-0300 or **visit our website: www.hhcn.org**
